MASTERCLASS IN FACIAL PLASTIC SURGERY
Aesthetics And Art/Mastersymposium of Reconstructive and
Regenerative Surgery
2nd International Symposium 2019
BASEL / SWITZERLAND

Foreword

Dear Colleagues

We are pleased to invite you to our joint symposium “**2nd Aesthetics And Art Symposium**” and “**2nd International Mastersymposium of Reconstructive and Regenerative Surgery**”, which will take place in Basel, Switzerland from October 25th - 26th, 2019.

The aim of our meeting is to extend our knowledge and collaborations with world-leading experts from around the world in the fascinating artistic environment of Basel. Basel has a long tradition of art and, therefore, the combination of “Aesthetics And Art” fits perfectly into the framework of this city.

A major focus of this meeting remains the face, discussing and highlighting all aspect of Facial Rejuvenation, covering invasive and non-invasive procedures, but also facial reconstruction and regeneration. However, other aspects of Aesthetic Surgery will be debated, too - including (social media) marketing, investment and research topics.

We are convinced that this joint Symposium will be a highly educational, memorable, and "not-to-be missed" event and we are very excited to meet you in Basel.

We look forward to welcoming you soon!

Prof. Dr. D. J. Schaefer
Head of the Clinic
